

CREATING IBM CLOUD ACCOUNT

M.Monica

K.Mahima

The screenshot shows the IBM Cloud Dashboard for user MADHAN KUMAR. The interface includes a top navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account. The main content area is titled "Dashboard" and features a "For you" section with six recommended actions: "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Use Watson Studio" (Watson Studio provides a suite of tools and a collaborative environment for data scientists, developers and domain experts), "Build a Virtual Private Cloud (VPC)" (Upgrade to a paid account to create your own protected space in the IBM Cloud), "Set up your IBM Cloud account" (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources), "Create an OpenShift cluster" (Deploy apps on highly available clusters with Red Hat OpenShift on IBM Cloud), and "IBM Watson Internet of Things Platform" (Communicate with connected devices, monitor and analyze data in real time, connect your own IoT apps and add Watson AI to the solution). Below the "For you" section, there are four more sections: "News" (Unified Key Orchestrator Now Supports Easy Multicloud Key Management for Google KMS, TrustRadius Best Software: Five IBM Offerings to Make the List, Announcing IBM Cloud Pak for Network), "Recent support cases", "Planned maintenance", and "IBM Cloud status". The bottom of the dashboard shows a weather widget (24°C Partly sunny) and system information (ENG IN, 07:54, 06-11-2022).

Pavithra Devi V

The screenshot shows the IBM Cloud Dashboard for user TAMILARASAN V. The interface is similar to the one above, with a top navigation bar and a "Dashboard" title. The "For you" section features six recommended actions: "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Use Watson Studio" (Watson Studio provides a suite of tools and a collaborative environment for data scientists, developers and domain experts), "Build a Virtual Private Cloud (VPC)" (Upgrade to a paid account to create your own protected space in the IBM Cloud), "Set up your IBM Cloud account" (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources), "Create an OpenShift cluster" (Deploy apps on highly available clusters with Red Hat OpenShift on IBM Cloud), and "IBM Watson Internet of Things Platform" (Communicate with connected devices, monitor and analyze data in real time, connect your own IoT apps and add Watson AI to the solution). Below the "For you" section, there are four more sections: "News" (Unified Key Orchestrator Now Supports Easy Multicloud Key Management for Google KMS, TrustRadius Best Software: Five IBM Offerings to Make the List, Announcing IBM Cloud Pak for Network), "Recent support cases", "Planned maintenance", and "IBM Cloud status". The bottom of the dashboard shows a weather widget (24°C Partly sunny) and system information (ENG IN, 07:53, 06-11-2022).
